

Antwerp 5th largest bunker port worldwide

A world map with a grey background showing the outlines of continents. Five locations are marked with blue dots and labeled with their bunker port capacity in million toe. The locations are Antwerp (6.5 million toe), Rotterdam (9 million toe), Fujairah (24 million toe), Hong Kong (7.5 million toe), and Singapore (50 million toe). The Antwerp label is enclosed in a blue rounded rectangle.

Antwerp (6.5 million toe)

Rotterdam (9 million toe)

Fujairah (24 million toe)

Hong Kong (7.5 million toe)

Singapore (50 million toe)

17-21 JUNE 2019
SHAPING EUROPE'S ENERGY FUTURE
#EUSEW19

**Transforming the Port of Antwerp to a Multi Fuel Port
where fuels like methanol, hydrogen, LNG and electric
power are fully integrated in its bunker market by 2025**

Challenges...

Regulations

Supply chain

Technology

Finance

Not in my
backyard

Tackled from our 4 roles as port authority

Community builder

- Cooperation
- Coalition of the willing
- Public support
- Partnerships for subsidies

Regulator

- Licensing of bunker fuel operators
- Bunker procedures

Landlord

- Bunker map
- Infrastructure for supply
- Incentive policy

Operator

- Retrofit of tug to methanol
- Waterbus on Albert Canal
100% electric
- Inclusion of hydrogen in
contract with service
